

"Good Faith Estimate"

You have the right to receive a “Good Faith Estimate” explaining how much your medical care will cost.

Under the law, health care providers need to give patients who don't have insurance or who are not using insurance an estimate of the bill for medical items and services.

- You have the right to receive a Good Faith Estimate for the total expected cost of any non-emergency items or services. This includes related costs like medical tests, prescription drugs, equipment, and hospital fees.
- Make sure your health care provider gives you a Good Faith Estimate in writing at least 1 business day before your medical service or item. You can also ask your health care provider, and any other provider you choose, for a Good Faith Estimate before you schedule an item or service.
- If you receive a bill that is at least \$400 more than your Good Faith Estimate, you can dispute the bill.
- Make sure to save a copy or picture of your Good Faith Estimate.

For questions or more information about your right to a Good Faith Estimate, visit www.cms.gov/nosurprises or call 1-800-985-3059.

We are an affiliate of United Surgical Partners International, and partnered with local physicians. Physicians are members of the medical staff and are neither employed nor agents of Baylor Scott & White Medical Center - Frisco, United Surgical Partners International, Baylor Scott & White Health or any of their subsidiaries or affiliates. Baylor Scott & White Medical Center - Frisco is proud to have a number of quality physicians invested in our facility. Their investment enables them to have a voice in the administration policies of our facilities. This involvement helps to ensure the highest quality of care for our patients. Your physician may have a financial interest in the facility. A list of physician owners is available on request. Baylor Scott & White Medical Center - Frisco complies with applicable Federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability, or sex. ©2022 Baylor Scott & White Health.
